DEDICATION

A strong will, warm enthusiasm, and a unique personality -- all these go together to characterize one of Brockway Area High School's best loved teachers. His treasures of wisdom and common sense, coupled with his witty sense of humor, have made a deep impression on the many students who have known him through his numerous years of teaching. Students realize that, although at times he is stern in manner, this teacher always has at heart their best interests. But this man has contributed more to our school than his devotion to teaching chemistry and physics. He is responsible for keeping the activity funds in order, selling tickets at all athletic events, and keeping students on the "straight and narrow." Therefore, it is with great pride that we, the class of 1966 dedicate this, the twenty-first edition of the DAWN to MR. ROLAND A. SHAFFER.

An abstract geometric design featuring a central point from which numerous lines radiate outwards. The lines vary in length and thickness, some ending in small dots. The design is composed of dark, medium, and light gray elements on a light background. The word "SENIORS" is centered in the middle of the page.

ADMINISTRATION

BAHS ADMINISTRATION

Mr. Herbert Steele
High School Principal

Mr. Blair H. Rupert
Supervising Principal

Whenever students need guidance and a helping hand, the administrators of Brockway Area High School never fail to offer their assistance. They devote much of their time toward solving our problems concerning curriculum, schedules, and vocations. After working with the administration for the past six years, the seniors now fully appreciate the job done by these people. Therefore, the Senior Class of 1966 would like to thank the administration for its patience and guidance offered them during their high school years.

ROVER COACHES

Coaches Green and McNulty

Despite a record of 6 wins and 12 losses, Coach McNulty's squad has proven to be a tough adversary to the teams they have played. At one time during league play the Rovers had risen to second place. Unfortunately, a close game against Ridgway dropped the cagers to fourth place. However, the team is a young one, and we certainly can look forward to a fine season next year.

This year the Brockway Rover wrestling squad has struggled through eleven matches and has produced a season of 1 win and 10 losses. The Rover matmen were outclassed by most of their opponents mainly because of a lack of experience. Yet the boys did their best against their seasoned opposition and were deprived of victory in several matches by only a few points.

With two year's experience behind them, the Rovers have the potential this year to be a very formidable opponent to any district team. Last year the team placed third among the fourteen teams composing District IX at the District tournament in Brookville. One of our members, Ernie Coder, had the honor of finishing third and attending State Golf at Penn State. In regular league play, the team compiled a 4 and 5 won-lost record against teams from much larger towns in the area. This year should be the big year for the Rovers with four returning regulars and capable reserves. The able leadership of Coach Gary Keister, who will remain with the team despite a back injury, has added extra incentive to the already anxious team. Therefore, this year should be an outstanding season for our Rover Varsity golfers.

ACTIVITIES

MARCHING BAND

Officers

The Marching Band is one of the most colorful organizations in our school. Its members work many hours during the summer in order to perfect their intricate drills. The entertainment provided by the band at parades and during half-time shows is appreciated very much by the students and citizens of Brockway.

BAND MANAGERS

R. Rogos and H. Scull

The Dance Band has put forth much effort toward representing our high school during the year. In addition to their varied activities, the Dance Band participates in the annual Band Concert.

The Dance Band, which is scheduled to meet the first period every Wednesday morning, is certainly an efficient group. Due to the supervision of Mr. Rutch and the Dance Band's president, Thomas Burkett, every spare minute is used for practice. Therefore, because of the willingness of all the members to cooperate, we can certainly say that the Dance Band has reached a high peak of success during this past year.

DISTRICT BAND

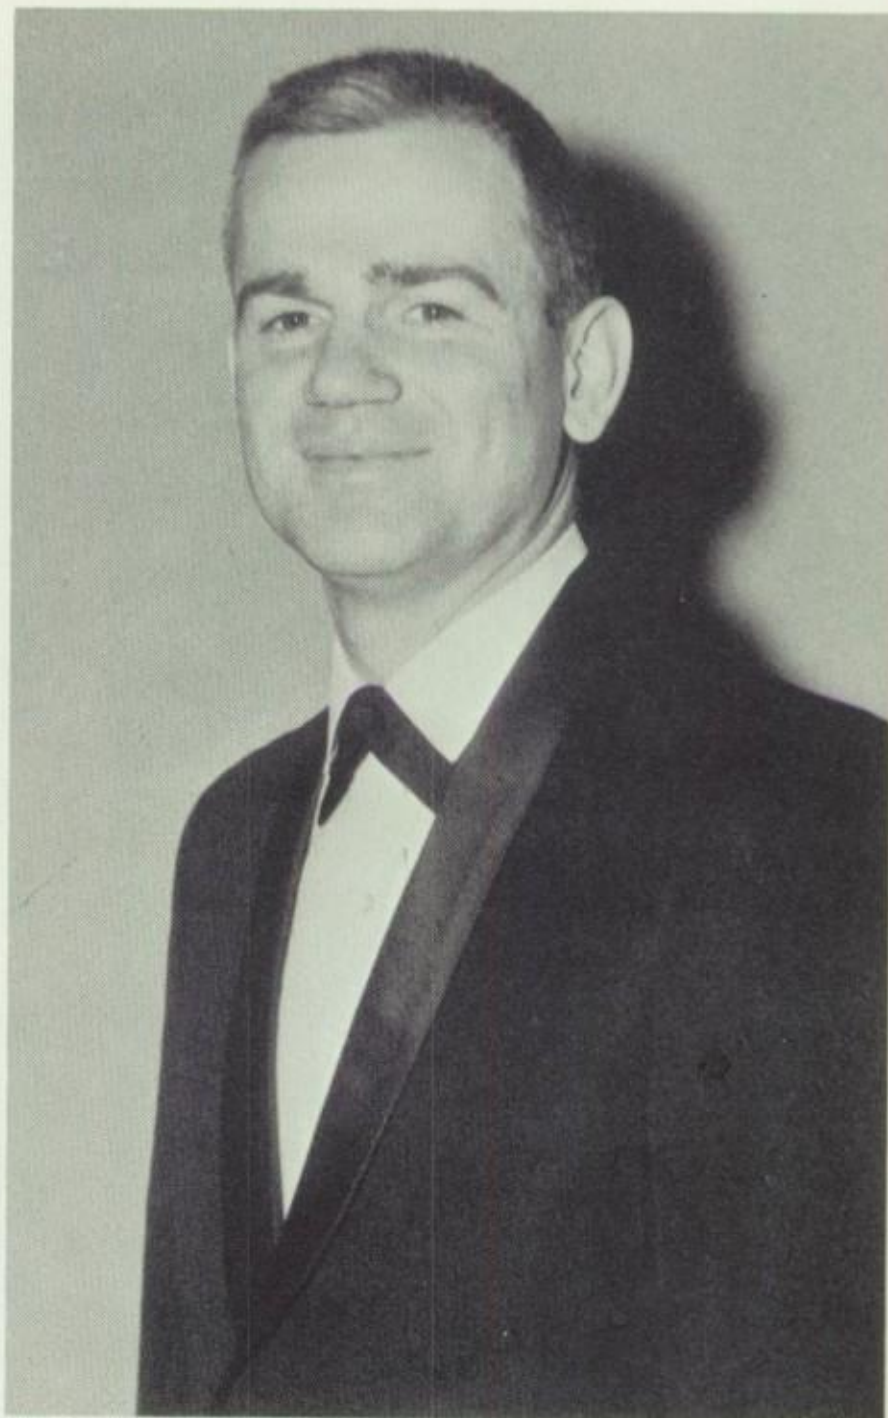

ROW 1: Richard Trunzo, E. Poole, Susan Steele, D. Bovaird, P. Alburg, L. Weible.

Mr. Wright, Guest Conductor

Brockway Area High School has one of the most outstanding musical departments in this section of the state. At the helm of this department is Mr. Donald Rutch. Mr. Rutch, during his many years of service at Brockway, has molded the musicians in our school into smooth-functioning units. His tireless efforts have been rewarded by Brockway's strong representation at both District Band and Regional Band. It goes without saying that Mr. Rutch is to be commended for his fine work here at Brockway.

A Drum Major is selected by the band members and director of the band. For the past two years, Verle Emanuelson has led the Brockway Rover Band onto the football field for its outstanding half time performances. Our Drum Major, who has succeeded in gaining the respect of the band members and teachers, should certainly be commended for his exceptionally fine job.

CONCERT BAND

Michael Ross

Thomas Burkett

Charles Stevenson

With its director, Mr. Donald Rutch, the Senior High Concert Band has made a large contribution to Brockway Area High School. In this past year three of its musicians were selected to attend the Clarinet Choir in Harrisburg. Nineteen members of the Senior High Concert Band were chosen to participate in District Band which was held in this school in January. Much work and practice was needed to prepare the members for this event.

The music presented by these people has enriched all who have listened to it.

SUBS

Brockway High School's high-stepping majorettes have played an important role in our band. In their bright new uniforms they have added color and zest to pep rallies, half-time programs, and parades. To help perfect their routines, some of the majorettes attended majorette camp in Brookville for a week during the summer of 1965.

SENIOR MAJORETTES

These senior girls, along with the underclass majorettes, have worked diligently in perfecting their impressive routines. Under the careful supervision of Mrs. Siple they have presented themselves in such a way that the students of BAHS can be extremely proud of these girls. Indeed, the majorettes have done a very fine job in the past year.

STUDENT COUNCIL

As students of Brockway Area High School, we are fortunate to have an organization which acts as a link between students and the administration. This is our Student Council. Under the leadership of Mr. Murnyack, the Council sponsors many activities throughout the school year. A few of these activities are Homecoming, and May Crowning festivities, dances, Student Loan Fund Week, and Save the Children Federation Project. We feel that the Council has done a fine job, and we are sure that they will continue to do so in the future.

Under the capable supervision of Mr. Keister, this year's Buzzer staff has attempted to attain the standards that are necessary for publishing a good newspaper. The Buzzer members have learned that each one of them must do his share in order to accomplish one goal. This goal being the publishing of an informative and interesting newspaper of exceptionally high quality. Because of their united efforts, the members of the staff have certainly succeeded in producing many fine Buzzers for the 1965-66 school term.

The library Club is one of the most helpful and efficient organizations at B.A.H.S. Whenever a student is having difficulty finding material in the library, one of the club's members is always ready to aid this individual in finding the desired book, magazine, or pamphlet. Also, we have all noticed that the library is being run this year as smoothly and efficiently as it has ever been run. This, of course, is due to the efforts of Mrs. Haines, the school librarian. However, she is being helped a great deal by the members of the library club, of which she is advisor. Consequently, we, the students of Brockway Area High School, would like to express our appreciation for the work being done by Mrs. Haines and the Library Club.

THE SENIOR

ALMA MATER

ALMA MATER

In a peaceful, quiet valley
Under skies of blue,
Stands our noble Alma Mater,
Glorious to view.

Lift the chorus, speed it onward,
Praise her to the sky,
Hail to thee, our Alma Mater --
Dear old Brockway High.
